

Wrapped Up In Blue – Kaitlyn Rodley

F# major, standard tuning, 6/8.

Piano chord chart.

Notes for players:

- The song is played by keeping the F# chord in the right hand, and moving bass notes in the left hand. I only play the 1 and 5 (F#, C#) of the F# chord, not the A#.
- The first chord in the bridge is F#/B(omit 3, add F \natural). The notes in it are B, F \natural , F#, C#. Omit 3 just means to leave out the A# that is usually in an F# triad. On the chart I'll label it as F#/B(add F \natural) so it's not as long.
